

CLIVE KING

STIG
OF THE
DUMP

Rock On!

Topic: In our topic lessons we will be looking at the Stone and and transition into the Iron Age. This will be based around our topic text 'Stig of The Dump' and will include exciting cave painting related art and design activities.

Science: In science we will be looking at Geology and all things related to rocks and fossils.

History: We will look at the development of settlement in Britain and the evolution into the Celtic/Iron Age country of Ancient Britain.

English: In keeping with our topic we will be writing different types of text inspired by 'Stig of the Dump'. These will include recounts and newspaper reports.

RE/PSHE: We will look at Conversion to Christianity, Harvest Festival and the run up to Christmas. In PSHE we will be looking in details at our Terling School Values and what they mean to us

PE: Will be Outdoor/Adventurous Activities, Team Building and Gymnastics.
Art: We will be looking at the earliest traces of humans in the form of Cave Paintings.

Maths: We are starting the year by setting strong foundations with place value and addition and subtraction techniques. These will, of course, be developed as the year goes on.
