

## Our topic for Autumn Term 2 is:

### English

In English, we will be reading a variety of winter and Christmas stories. We will be learning to write sets of instructions, creating exciting stories and writing letters.

**Stunning starter:** Toy Display

**Magnificent middle:** Toy Design

**Fantastic finale:** Toy Sale

### Topic

In our topic, we will be learning about the Santa's helpers. We will be exploring materials and ideas. Looking closely at the design of toys and using these to plan and make our own toys. We will be learning to choose the most appropriate materials and joining techniques as well as using mechanisms within our designs. We will then use this to evaluate techniques and design to improve our toys

### Maths

In Year 1 and 2 we will be continuing to focus on addition and subtraction, moving onto multiplication and division. We will also be learning about money.

### PSHE

We will be continuing to learn about healthy relationships, thinking about different groups within communities and our relationships with them.

### Science

Our science focus will be continuing to learn about everyday materials. We will be learning to identify and name a variety of different materials and their uses in everyday life including waterproofing. We will use our knowledge create investigations to test and experiment the different materials.
