

Our topic for Spring Term 1 is:

English

In English, we will be reading a variety of stories and poetry based on our topic. We will be writing exciting narrative stories and some of our own poetry based on this. We will also be focussing on writing a recount based on our class trip.

Stunning starter: Watch Planes

Magnificent middle: School trip

Fantastic finale: Airplane flight competition

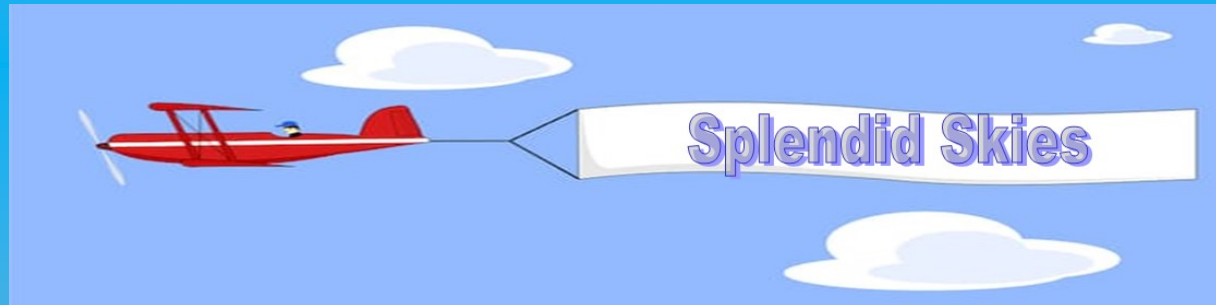

Topic

In our topic, we will be learning about the 'Splendid Skies'. We will be looking at the very first airplane flights, different pilots and where they fly to.

We will also be looking at the work of famous artists and creating our own pieces based on their work.

Maths

In Year 1 and 2 we will be continuing to focus on multiplication and division - usually our knowledge of multiples of recognise the inverse. We will be moving onto shape and measure towards the end of the half term.

PSHE

We will be continuing to learn about healthy relationships, thinking about how we and others may be feeling, the importance of respecting other peoples views and differences and similarities between people.

Science

Our science focus will be seasonal changes. We will be learning about weather, why and how it changes and our observations of this. We will be planning investigations and evaluating how they went after including finishing our topic with a airplane competition.
