

# INCREDIBLE INVADERS!

## English

In English, we will be studying a short story, *The Old Mill*, which we will use as a basis for writing our own suspense stories. We will learn to build tension in a story. As a class we will also be reading *The Lion the Witch and the Wardrobe*.

## Maths

In Maths, we will be continuing our work on addition and subtraction. We will also be starting to look at Multiplication and Division.

It is going to be important that we practise our times tables ALL the time at home!

## RE/PSHE

In RE we will be looking at; preparing for and celebrating Christmas.

In PSHE we'll be looking at our emotions, how to recognise them and how to respond to ours, and others' emotional needs.

## Science

In Science, we will be learning about light. We will be finding ways to protect our eyes from the sun and will be looking at how light reflects off different surfaces. We will also be looking at shadows and how they are formed.

## Topic

In topic, we will be studying how the Norman invasion changed the culture in England. We will be looking at the Bayeux Tapestry and what it represents and will also be locating countries on the world map and looking at where the different tribes in England arrived from.
