

Stunning start - watch the Diwali story

Magic middle - create religious buildings with clay

Fantastic finale - visit a religious building

Maths

This half term the focus will be multiplication, division and fractions. We will also be revisiting addition, subtraction and counting.

English

We will begin by writing tradition tales based on a variety of cultures, a description based on our topic and an information report on Diwali.

Science

This half term the children will be learning all about light and dark.

Topic

This half term our topic is light and dark. We will be looking at advent at Christmas, Christmas lights, the story of Rama and Sita, Diwali festival and the story of Hanukkah.

RE

This half term we will be learning about festivals; Diwali and Christmas.

PE

We will be learning a dance and practicing ball games.

Computing

We will be learning how to create and debug simple programmes and recognise common uses of technology.

Homework:

Homework is set every Friday and due in the following Thursday. Homework club is every Wednesday lunchtime if for any reason you cannot do it at home.
