

Stunning start - Make a zoo in class

Magic middle - Present fact files to year 3 and 4

Fantastic finale - Going to the zoo!

## Maths

This half term the focus will be fractions, time, money, position and direction.

## English

We will be writing fact files on animals around the world and a story based on the Zoo by Anthony Browne.

## Science

This half term the children will be learning all about living things and their habitats.

## Topic

This half term we will be looking at animals round the world with a focus on Kenya and African animals.

## RE

This half term we will be learning about Judaism, prayer and understanding Christianity.

## PE

This half term we will be doing gymnastics.

## Computing

We will be learning how to create and debug simple programmes and recognise common uses of technology.

## Homework:

Homework is set every Friday and due in the following Thursday. Homework club is every Wednesday lunchtime if for any reason you cannot do it at home.
