British Values
Terling Values
Our Values

To begin our new school year we are going to be looking at British Values. We will learn about the countries and capitals of the UK and learn fundamental information, using maps, atlases and globes. We will learn about our 'family tree' and celebrate the diversity.

We will celebrate family history and culture, share our hobbies, interests and family traditions.
We will also be looking for a new school council representative, so we will be voting for a new school council member.

Scottish Invasion

We will be learning about the invasions of the Scots and Anglo-Saxons in the 5th century. We will find out where the invading troops came from and where in Britain they managed to settle and then they will go on to investigate how life in Britain changed as a result. We will learn how the Anglo-Saxons influenced the English language, with an emphasis on the origins of some English place names, and we will also examine and analyse artefacts from the period and draw our own conclusions about what they can teach us about life in Anglo-Saxon Britain.
Finally they will investigate how and why the Anglo-Saxons were largely converted to Christianity by the early 7th century.

Maths

In maths we will be learning the place value of number. Year 4s will be working at numbers up to 5 digits while year 3 will be looking at 4 digit numbers.

We will be adding and subtracting numbers but also solving problems that involve addition and subtraction.

We will be looking at shape, symmetry, drawing circles with different radii.

English

We will be linking all our writing to our topic. We will be writing recounts and non-chronological reports. We will working on our speaking and listening skills and sharing our thoughts and opinions.

How to help at home

Homework booklets will be coming home, please help your child with their weekly homework.

Please read with your child daily and ask them questions about their book.
Times table practice is always helpful. By the end of year 4, children are expected to know all their table up to 12x12.
