

**British Values:**

We will be focussing on Individual's rights and responsibilities as well as respecting peoples' beliefs and customs from multiple cultures. This will tie in with Kipling's stories and 'The Jungle Book'

**P.E:**

We will be working on ball skills within the sport of Basketball. The focus will be on dribbling and maintaining control of the ball, passing and catching, shooting and finally playing as part of a game.

We will be outside, using the playground, weather permitting and if needs be, we will participate in our PE lesson, in the Hall.

**Science:**

We will be looking at 'Working Scientifically' and what this means. How we create fair tests and why we use them.

We will create our own experiments and determine what it is we want to find out and the processes of setting up and carrying out a fair test.

**R.E:**

We will be looking at Judaism and specifically the purpose of the Synagogue within society. We will identify the key symbols and artefacts relating to the religion and how these increase our understanding of Judaism.

**Art:**

We will be designing, drafting and adjusting our own costumes, in preparation for the Movie day at the end of the half term.

**D.T:**

We will be making/creating our costumes, using the designs we have produced over the half term.

**Computing:**

We will be using the computing equipment to assist us in designing our costumes.

**P.S.H.C.E:**

We will be looking at understanding the expectations of being in the Upper school. We will produce our class rules which we will agree upon and put in place.

**History:**

We will be looking at the processes used when studying historic events and how we can trust or disprove resources. What we mean by primary and secondary resources and how technology has made historic records, easier to keep.

Year 5 and 6

**'A New Beginning'**

**Maths:**

We will be looking at a range of topics, focussing on revising and mastering for some and learning through the removal of misconceptions on others. The topics we will be covering, include: Fractions, decimal and percentage; Geometry; Shape; Word problems and Line graphs..

We will be looking at fractions and how these can be added, subtracted and multiplied. During this module we will investigate mixed numbers and how these can be used to illustrate improper fractions as wholes and parts.

The class will also look at comparing mental and written methods of solving problems and will highlight their preferred methods and the reasons why.

**English:**

We will be focussing on 'The Jungle Book' and Kipling's other novels as part of our Fiction education, this half term. Our non-fiction aspect will consist of debate topics, predominantly based around the use of CCTV and film ethics.

**Grammar and Punctuation:**

We will be including within our writing: Relative clauses, expanded noun phrases, modal verbs, time adverbials and word play.
