

**British Values:**

We will be focussing on Individual's rights and responsibilities as well as respecting peoples' beliefs and customs from multiple cultures. This will tie in with The Battle of Hastings.

**P.E:**

We will be working on ball skills within the sport of Football. The focus will be on dribbling and maintaining control of the ball, passing and catching, shooting and finally playing as part of a game.

We will be outside, using the playground, weather permitting and if needs be, we will participate in our PE lesson, in the Hall.

**Science:**

We will be looking at 'Light', its importance in our lives and the relationship between light and darkness.

We will look at primary and secondary light resources and the use of light for measuring time.

**R.E:**

We will be looking at Hinduism, death and reincarnation within the lessons of Religious Education. As well as Hinduism, we will also be looking at Incarnation within our Christian Values

**Art:**

We will be researching art and creativity from Africa and we will be reproducing this Art through the medium of sketching. We will also use charcoal in the style of the African Animal Art form.

**Computing:**

We will be using the computing equipment to assist us in researching Africa. We will compare different regions of Africa with Terling and draw upon the internet to help with our research.

**P.S.H.C.E:**

We will draw on the importance of being a good friend and the need for respect and will be linked with British Values.

**History:**

We will be looking at the processes used when studying historic events and how we can trust or disprove resources. What we mean by primary and secondary resources and how technology has made historic records, easier to keep.

Year 5 and 6

'Africa'

**Maths:**

We will be looking at a range of topics, focussing on revising and mastering for some and learning through the removal of misconceptions on others. The topics we will be covering include: negative numbers, mental addition and subtraction.

We will be looking at decimals and percentages. The main focus for this half term will be co-ordinates and statistics.

The class will also look at comparing mental and written methods of solving problems and will highlight their preferred methods and the reasons why.

**English:**

This half term we will be looking at instructions, explanations, and tales from other cultures as well as African myths. We will be looking at imagery, alliteration and similes.

**Grammar and Punctuation:**

We will be looking at numerous language features as well as focusing on conjunctions, subordinating conjunctions and relative and subordinating clauses.

**Spelling:** As per the Year 5 and 6 word list.
