

**Our topic for Summer
1 is: Castles (2)**

Castles

PSHE

We will be learning about our health and wellbeing focussing on what we can do to keep ourselves safe and healthy including sun safety.

Science

In science, we will be continuing to focus on plants. We will be learning about how plants grow and identifying and naming variety. We will also be investigating living things and their habitats.

History

We will be learning about life in a castle, castles around the world. We will also be learning about the lives of significant British monarchs.

Music

In music this half term we will be learning about pulse, creating simple patterns and finding beats.

English

We will be looking at different castles and creating our own setting descriptions based on them. We will also be writing a non-chronological report on Queen Elizabeth II.

Maths

In Year 1 we will be continuing to learn about length, height, weight, mass, capacity and volume. We will be beginning to learn about multiplication.

In Year 2 we will be recapping 2 and 3-D shapes as well as beginning to learn about fractions.

Art

We will be learning to plait and weave to create our own woven castle hanging.
