

Our topic for Spring 1 is: Amazing Animals (remote learning)

A M A Z I N G

A N I M A L S

PSHE

We will be thinking about our own rights, bullying and how we can be responsible.

English

We will be learning and writing our own tongue twisters and nonsense poems. For our non-fiction focus we will be writing non-chronological reports about animals that we have researched to create fact files. We will also be creating our own version of Handa's Surprise.

Maths

In Year 1 we will be learning about place value to 20 and focussing on addition and subtraction learning lots of different methods.

In Year 2 we will be learning about the 4 operations as well as money.

Science

Our science focus is animals including humans. We will think about what all animals have in common and we will also look at their differences using our prior knowledge and research to help.

Art

Our end goal for Art and DT will be to make a Henry Rousseau inspired art piece based on an animal. We will be discussing texture and tones.

Geography

We will be learning all about the 7 continents.
