

Our topic for Autumn Term 1 is:

English

In English, we will be focusing on sentence writing. We will be reading *Amazing Grace* and using this to inspire our own story writing. We will also be writing instructions as well as reciting and writing poetry using our senses.

Maths

In Year 1 and 2 we will be learning about place value focussing on tens and ones. We will begin to explore addition and subtraction as well as continuing to practise our reasoning and problem solving skills.

PSHE

We will be thinking about relationships in PSHE lessons.

Topic

In our topic, we will be ordering chronological events, exploring our own family histories and creating a family tree. We are going to explore the differences between childhood today and our Grandparents' childhood. We will be creating maps of Terling and where we live and learning about the UK and its capital cities. In DT we will be focusing on keeping healthy and creating our own fruit salad.

Science

Our science focus will be myself and the needs of animals. We will be learning about the importance of a good diet and exercise for living and how this compares to other animals. We will also be learning about the season of Autumn.
