Join the Challenge in all Essex libraries!

Dear Mum, Dad, Carer and Teacher

Here's the best way to keep your children motivated to read through the summer holidays, keeping up those hard earned skills and having fun finding their next favourite author! All free at your library.

This year Essex Libraries and The Reading Agency are excited to team up with the World Wildlife Fund for Nature for a very special nature themed challenge which will inspire you all to stand up for Earth. The World Wild Heroes are coming to a library near you this summer.

Who are the Wild World Heroes?

The Wild World Heroes live in Wilderville, which is a pretty cool place, but there are lots of things that the children like Faiza, David, Willow, Callum, Marcus and Carys can do to make their town even better for the people and animals who live there.

How can children take part?

Wild World Heroes runs from Saturday 10 July to Tuesday 31 August in all Essex libraries and mobile libraries. Children read six books over the summer holiday, helping the Wilderville children make a difference to the environment. They have a map of Wilderville and collect rewards on the way. When they have read six books, they receive a medal and a certificate.

What books do children have to read?

Children can read any library books of their choice; fiction, fact or information books, picture books to share with you and family, jokes or poetry; anything they enjoy.

The main challenge is for children aged three to twelve but there is a mini challenge for the under threes.

It's free to join the library and free of charge to take part in the Summer Reading Challenge.

Congratulations to Kelsey in Fardings

class this week for receiving the
Growth Mindset award!

Last year, FOTS and Mrs Meares created a 'Wish List' of small resources the school needs. The items may seem very small, but they are things we need to buy regularly. The list formed an Amazon wish list which, should you be shopping at Amazon, you can buy for the school. You can find the wish list here

<https://www.amazon.co.uk/hz/wishlist/ls/1G0P44VDWK541?&sort=default#>

Thank you to the parents/carers that have already donated in the past, the school is very grateful for your generosity.

Attendance

Congratulations to Fardings who achieved 99.1% attendance this week.

Flourish and shine in all that we do.

"Those who are wise will shine like the brightness of heavens" Daniel 12:3

We would like to wish Lenny a very happy birthday this week.

We hope you had a lovely day!

Year 6 Reading Gladiators celebrated their last session by talking about the book they had read 'The Odyssey' and drinking hot chocolate!

KS2 children will be having a swimming fun day with Mrs Gwalter at the swimming pool on Monday 19 July. Children will need to bring their swimming costumes to school as per swimming lessons.

We welcomed Priti Patel, MP for Witham and Home Secretary to school day. Ms Patel has a 'Get Witham Reading' initiative which we took part in today. Mrs Meares showed her round each classroom and talked about all of the incredible learning we do at our school. Official photos to follow!

Our Trip

When we went on our trip it took quite a lot of preparation in the morning. Once we were all ready we set off on a bumpy wagon and it was quite a squish. We met the two people driving us and they took us to each farm. First it was Taylors, then Fardings and then we stopped at two places that weren't on our list of sketches and notes to see some different crops. We then went to one of the Terling farms that was a working farm. There were lots of lorries and big tractors. After that it was time for the final trip, a visit to Leylands farm. On the way home we saw Sandypits but unfortunately did not get to stop at it. Mrs Meares did point out lots of woods and willow trees. We saw Mr Sime's old house and one of the drivers houses that he lived in for 13 years. When we got back to school there were a selection of crops we had collected from the farms. It was then snack time!

By Amelie (year 4)

Thank you to all parents and children that donated cakes for the School Council Cake Sale. The theme was animals and there were some lovely creations along with lots of caterpillars! The money raised will be donated to CW Wildlife Rescue and we managed to raise a huge £161.25.

CW Wildlife Rescue are a wildlife rescue charity, based in Rickmansworth.

Their mission is to provide care, protection and support to all injured and unwell wildlife.
