

Our topic for Spring Term 1 is:

English

In English, we will be writing recounts, deepening knowledge in story writing and introducing poem writing. We will also be reading Mrs Armitage on Wheels Journey and Jack and the Beanstalk.

Maths

In Year 1, we will be exploring place value within 20 and move onto addition and subtraction within 20. We will be using the skills we are learning to problem solve. In Year 2, we will be learning about shape and money before delving into multiplication and division.

PSHE

We will be learning about living in the wider world in PSHE lessons. We will be thinking about how we can care for each other, looking after our local environment and using digital devices safely.

Science

Our science focus will be everyday materials. We will be learning to identify and name a variety of different materials and their uses in everyday life. We will use our knowledge to test and experiment the suitability of the materials for different purposes. We will learn about their properties and how the shapes of solid objects made from some materials can be changed by squashing, bending, twist-

Topic

As part of our topic, in Geography, we will be reviewing continents and oceans, identifying seasonal weather in the UK and hot and cold areas of the world. Then we will be exploring weather and climate of both the UK (with links to the equator and poles) and Tuktoyatuk. In Art, we will be building on skills to create a space print picture.
